Supplemental Information and Instruction

Privacy Act Statement

Information on FAA Form 8130-12, Eligibility Statement, Amateur-Built Aircraft, is solicited under the authority of 49 U.S.C. 44103 as implemented by 14 CFR Part 21. The purpose of this information is for the applicant to certify that major portion of the aircraft was fabricated and assembled for their own education or recreation. Submission of this data is mandatory and will become part of the Privacy Act system of records DOT/FAA 801, Aircraft Registration System. Incomplete submission may result in delay or denial of your request. Information maintained in the Privacy Act system of records is routinely used to (1) provide aircraft owners and operators information about potential mechanical defects or unsafe conditions of their aircraft in the form of airworthiness directives, (2) locate specific individuals or aircraft for accident investigation, violation, or safety related requirements, (3) prepare an Aircraft Registry in magnetic tape and microfiche form as required by ICAO agreement, containing information on aircraft owners by name, address, United States Registration Number, and type of aircraft, and (4) DOT Prefatory Statement of General Routine Uses.

Paperwork Reduction Act Statement:

This information is collected for the purpose of issuing a special airworthiness certificate for the purpose of operating an amateur-built aircraft to any applicant meeting the criteria established in FAA Order 8130.2, Airworthiness Certification of Aircraft and Related Products. The FAA uses the information to maintain and update the current database of aircraft having obtained approved airworthiness certificates. The burden associated with completing FAA Form 8130-12 is 15 minutes. Providing this information is mandatory if an applicant wishes to obtain a special airworthiness certificate for the purpose of operating an amateur-built aircraft. The information is protected under the provisions of the Privacy Act and the Privacy Act system of records DOT/FAA-801, Aircraft Registration System. An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The OMB control number associated with this collection of information is 2120-0018.
